Congratulations on your purchase of the Andrea Communications AC-125 Headphone!

The Andrea AC-125 Headphone is a rugged headphone with an 6 ft cable, includes an in-line volume control and features plush leatherette ear cushions that are easy to wipe clean.

Connecting the AC-125:

To connect the Andrea AC-125 Headphone to your computer, tablet or smarphone.

1. Plug the green speaker jack (indicated by a sound icon) into the "speaker" or shared audio port of your device.

Compatibility:

The AC-125 is compatible with most major sound cards, computers, laptops, tables and smartphones.

HEADPHONE INSTRUCTIONS

1. Fit the adjustable headband over your head to secure the headphone with the speakers resting comfortably around your ears.

TROUBLESHOOTING
If you encounter the following problems:

No sound from headphone ear piece while audio plays from your device.

A. Check all connections.
B. Consult your sound card instruction booklet.
C. Check output volume level adjustment in software.
D. Check that the volume is turned up on the in-line volume control.
