

# Congratulations on your purchase of the Andrea USB-SA Adapter!

Andrea's USB-SA Digital Audio Adapter is a high fidelity external sound card device with stereo input and output.

## CONNECTING YOUR USB-SA ADAPTER TO YOUR COMPUTER.

1. Plug USB connector into USB slot on your computer.
2. Plug you headset into the color coded jacks on the USB-SA.

## COMPATIBILITY

The USB-SA Adapter is compatible with most major computers and laptops.

## TROUBLESHOOTING

If you encounter the following problems:

No sound from headset ear phone while an audio CD plays from computer.

- A. Check all connections.
- B. Check that the correct audio device is selected in the PC's control panel
- C. Check output volume level adjustment in software and on the cable module.

Microphone does not record sound when using a voice-recording application.

- A. Check all connections.
- B. Bring the microphone closer to your mouth.
- C. Check input control for proper level in software.
- D. Check that microphone is not muted on cable module or in the PC's microphone audio panel.
